ATM11/01: Apologies: Cllr's Mick Eddy, Glenn Eastick

ATM11/02: Declarations of Interest: None

ATM11/03: Report by Chairman for 2010/2011 Cllr Ian Dalgarno. Cllr Dalgarno welcomed everyone to the meeting. He informed everyone that the year had seen some highs and lows. One of those lows was the tragic passing of Cllr Allison Trainer who sadly passed away in 2010. He said that she will be sorely missed by everyone who knew her. One of the highs was winning the first step in the fight for the Town Hall to be back in the Council's ownership and gave thanks to the excellent legal team who helped them to achieve this. Overall it was a brilliant outcome and this year TTC will continue onto the next step for the Town Hall. He then thanked everyone for all their help and support over the last year.

Questions from the Public: None received

Although no questions had been received prior to the meeting Cllr Dalgarno enquired if the members of the public attending the meeting had any to ask: Two members of the public asked questions about the flower beds on the spitfire and paths on green belt areas that need resurfacing. These items will be discussed at the next Environment meeting.

ATM11/04: Report by Chairman of Finance Committee 2010/2011 Cllr Ian Dalgarno

Cllr Dalgarno informed those present that Thornaby Town Council had not yet received the outcome of the Annual Audit report but the finances are healthy and although monies have been spent on legal fees, those costs are to be reimbursed.

Question from the Public: None received.

ATM11/05: Report by Chairman of Environment Committee 2010/2011 Cllr Mick Moore.

Cllr Moore informed everyone that the Council's Environment Committee will continue to strive working hard for the town and gave thanks to the residents associations for all their hard work with planting etc. A future project is the reinstatement of a play area on the Harold Wilson and that work on the River Tees Park has been started. He thanked everyone for the help and support shown over the past year.

Question from Public: None received.
